WINDOWS AND PATIO DOORS

5 EXTERIOR SELECTIONS!

Every Lincoln window is created to conquer the elements, promote design creativity and enhance your building project; all while incorporating an architecturally appealing aesthetic.

We utilize high quality materials, state-of-the-art manufacturing processes and a continuous quality improvement program as keys to our success.

Lincoln's five exterior choices offer designers a very distinctive product offering - the perfect window solution!

Distinction Collection

Aluminum Clad - Our most popular and versatile exterior material is available in virtually any color, shape and size. The prominent features of aluminum clad products are dimensional freedom, minimal maintenance and superior strength.

Harmony Collection

Vinyl Clad - As the optimal choice for outstanding thermal performance and greater resistance to harsh coastal environments, this popular exterior is based on our aluminum clad platform. This increasingly popular series utilizes PVC cladding.
